Bill's family was his true passion and he loved to spend all his time with them, fishing, hunting, building, fixing and just being with them. He was dedicated to his church and was happily involved in church activities and loved to "pinch" the perogies each week. Bill proudly served his country in the US Air Force and worked and retired from Universal Instruments, Binghamton.

We are sure you are already starting a new fishing trip tradition in heaven with all your buddies and anyone else who wants to have a good time. We will keep the tradition you started going down here and have a drink in your honor. Tat you were the foundation of this family and will be greatly missed each day, but know that we are okay, you taught us well. We will carry on your love for others and teach our children as well. Rest well Tat, Papa, brother, uncle, cousin and friend to all. Kiss Mom and Evan for all of us, we will see you again someday.
